PHOTO SECTION TRIP TO FRANCIE’S CABIN

Frank Burzynski and Jim Petersen will lead a trip to Francie’s Hut for Photography Section Members only on Sunday, April 29th. The hut is southwest of Breckenridge at an elevation of 11,300 ft. and is one of the nicest in the system. We hope to enjoy the golden hour of light at sunset and sunrise, and perhaps even some night photography if conditions are favorable. We will snowshoe in four miles on the road Sunday morning and come out the next day (Monday) on the Spruce Creek Trail, a pretty snowshoe through the trees. Plan to go even if it’s snowing lightly; 4-wheel drivers please volunteer to drive. Plan on two full days. We will watch the weather to know if we will be using snowshoes/microspikes, as the snow conditions change quickly here in the spring season. In addition to the ten essentials, you will need to bring your sleeping bag, pad, pillowcase, personal care items, small towel, hut slippers, and a swimsuit if you want to take advantage of the sauna. You will only need to carry in water for one day (enough for 4-5 miles) as we will melt snow for the next day and our meals. The hut has cooking stoves, dishes, silverware. We will do a communal dinner but you will need to carry two lunches and one breakfast.

There are 18 slots available at this time in the hut. Section members only: You will need to get your hut reservation and liability release form completed before signing up for this hike. First, go to the web site http://www.huts.org/availability.html and check that slots are still open for April 29th at Francie’s, then call 970-925-5775 to make a reservation for April 29-30, 2011 (Sunday night). We are not saving spaces as a group this trip but as individuals, so you are paying $37.02 directly to the Hut system (they do not refund any money). Once you have registered you must complete a liability release for the hut system and will then get a confirmation, this confirmation is required to register for the trip. Lastly, contact the trip leader Frank Burzynski at 303-914-1085 (or cell 720-254-4096) to complete the signup for the trip. We will then coordinate departure time and location and other details. This trip will close 5pm April 19th so that we can coordinate the meal and drivers.
