Please contact Frank directly should you have an interest at fburzynski@comcast.net. Please note the trip will not be posted on the CMC site until it is determined there is sufficient interest.

Call for trip leaders to schedule photo hikes:
Don’t forget there are close destinations like Roxborough, Evergreen, Waterton Canyon and Barr Lake. If you are not leading a hike, you need not be a trip leader to setup an event. Photography events can be gallery visits, a stationary gathering to photograph the moonset or moonrise, wildlife sanctuary tours, Botanical Garden visit, etc.

The shooting theme which has the most votes was Patterns or Designs in Nature. This will be our shooting theme for November's meeting! Second place was a tie between exaggerating lines and wild/domestic animals, so we will place these in the program in the near future. Keep these mind while you are out shooting. Have fun!

Please submit two images for review and critique to Janice by Sunday, November 10, at bennettjanice@mac.com.

Each year we gather in November to discuss our plans for the following year. This meeting will occur just prior to the monthly meeting this November 13th from 6 to 6:45 p.m. Should you have ideas for events you would like to organize, this will be our primary goal. We hope to get out as a group to create images more often! We are also open to new ideas on presentation topics and/or new programs to offer the CMC and our membership. Should your schedule not allow for you to make the meeting just send your thoughts for outings to Selma at hikerselma@gmail.com or presentation/program thoughts to Dan orcuttpscmc@gmail.com

The presentation this month will be John Keiffer and Frank Burzynski displaying a set of their favorite photographs. We will encourage members to display their favorite photographs in Shooter’s Choice presentations in the coming months.
Shooter’s Choice

What Is It?

Each photographer:

- Selects a set of their images that they like
- Presents them to the group
- For each image, tells the group about the image
  - Why they like the image
  - How they composed it
  - What were the challenges in taking it
  - Techniques they used
  - And whatever else they’d like to share (this is not meant to be a complete list).

Why?

Provides an opportunity to:

- Get to know each other better
- Interact about what each values most
- Socialize

How Do We Do It?

- Every 3-4 months we’ll ask for volunteers.
  - John and Frank are the November volunteers.
- Two to three volunteers will be selected.
- They will present their Shooter’s Choice presentations the following month.
- Shooter’s Choice is expected to flexibly evolve to meet the Photo Section’s preferences.
