Please consider joining the BPX Committee. It's a great way to give back for the great adventures and hunting, wildlife calving, etc.

For Foothill outings, remember to check the website for your trip to make sure there are no closures due to DENVER GROUP MILEAGE REIMBURSEMENT GUIDELINES:

Purchased mine on Amazon for $25.48, but you can also buy it on the FLEXTAIL website good that there will be one that works with your pad. The FLEXTAIL website states that it weighs 2.82 oz. My pad. Plus, this might be good for your pad since our breath is full of moisture that can potentially cause than my wheezing and cursing that goes on for much longer than a minute while using my breath to inflate the bag. But there's more… It also has a light with 3 brightness settings and only to inflate but to deflate as well and to suck the air out of a vacuum good for up to 15 minutes on a full charge. The pump can be used not and holding its nozzle over the pad’s valve. I inflated my CoCoon pillow in it in less than a minute. The only effort required was turning the pump on
