CHAIR'S CORNER

Welcome to Season 3!

BPX Trip Leaders

The annual Stake Your Claim (SYC) event is coming up February 3, from 7 - 8:15. We will be showcasing the various paths to becoming a BPX Trip Leader, and the BPX Team will help you get there. Let’s talk!

BPX Backcountry

Benefits, and

Footi. outings, remember to check the website for your trip to make sure there are no closures due to

For foothill outings, remember to check the website for your trip to make sure there are no closures due to

January 2022

With the new BPX Backcountry Cache, we have a place where we can feature user-generated content - a true slice of the backcountry experience.

While you're likely out there with your camera capturing the beauty of the backcountry, sometimes you may find yourself without a place to share your photos and stories. That's why we created Backcountry Cache - a platform where you can showcase your adventures and connect with other members of the Backcountry Community.

LEAD THE PACK

TIP: DON'T LET WEATHER CONDITIONS HOLD YOU BACK!

1. The importance of preparing for unexpected weather conditions.
2. How to use weather forecasts to plan your trip.
3. The role of communication with trip members.
4. Strategies for adjusting plans based on weather changes.

12 TIPS: DON'T LET WEATHER CONDITIONS HOLD YOU BACK!

1. Keep an eye on the weather forecast and be prepared for changes.
2. Stay informed about local weather conditions.
3. Always have contingency plans.
4. Communicate with your group about weather conditions.
5. Be adaptable and flexible during the trip.

12 TIPS: DON'T LET WEATHER CONDITIONS HOLD YOU BACK!

1. Stay aware of the weather forecast and plan accordingly.
2. Have a backup plan for weather changes.
3. Communicate with others about weather conditions.
4. Be flexible and ready to adapt to changing weather conditions.

12 TIPS: DON'T LET WEATHER CONDITIONS HOLD YOU BACK!

1. Monitor the weather forecast closely.
2. Prepare for potential weather changes.
3. Have a backup plan in case of unexpected weather conditions.
4. Communicate with your group about the weather forecast.
5. Be flexible and ready to adjust your plans as needed.
6. Stay informed about local weather conditions.
7. Have essential weather gear on hand.
8. Be prepared to adjust your plans based on unexpected weather conditions.
9. Have a contingency plan in place.
10. Communicate with others about the weather forecast.
11. Be adaptable and ready to change plans as needed.
12. Stay informed about current weather conditions.
