CMC Highlights

RIMS Mobile App
Volunteers can help land managers collect important data on trails, campsites and visitor use through CMC's new RIMS Mobile Application. You can report trail maintenance needs, inventory campsites, track visitor use, and more. That data goes directly to land managers to help them prioritize hot spots and deploy crews to work on trail issues. Find more information here.

Quick Start Webinar: Trip Planning for Everyone
Are you dreaming of road tripping to the 14ers, lakes, or a National Park? This may be your guide to getting your trip together. This is not just for CMC leaders. It’s for everyone who wants to learn to plan a safe and fun journey. Register here.

Mountain Biking Section
A new Mountain Biking Section is being formed. For more information, contact Jeff Speake.

Who are the Bobcats?
The Bobcats' mission is to ensure a variety of challenging CMC trips, mostly on weekdays, for our mostly age 50+ constituents. We don't have dues or elections and we invite all CMC members to sign up for any Bobcats trip. We send out a monthly newsletter with all the coming month's trips just after those trips are activated. You can search the CMC Calendar for Bobcat trips any time by using an asterisk (*) in the the "Keyword Search" box.

To join our free mailing list and become a Bobcat member, write or call CMCMembership Services at office@cmc.org or (303) 279-3080.

We have more than 800 members!

Who are the Bobcats?
The Bobcats is a group of volunteers who are members of the Colorado Mountain Club, working on organizing and leading trips for the Bobcat section. They are dedicated to providing opportunities for members to explore nature and learn new skills.
