A reminder that hunting is allowed in most of Colorado, each year August thru December, at other times on private land, AND any time in special cases where an agency want to reduce wildlife numbers, in which case they will close the affected area. Recent "special cases" include Sharptail Ridge (Oct 12 thru Nov 19) and Centennial Cone Park (Dec 1 thru Jan 31).

So we all need to wear bright orange or hunter pink (this background color only much brighter!) during hunting season, especially the trip leader and sweeper. Because anywhere we go could have hunters as well as hikers or snowshoers. Best bet is to go to typically busier areas that hunters should want to avoid, not into the far, isolated backcountry where hunters like to go.

No worries! You can easily check to see if your scheduled trip is in a "better or better not" area by calling:

How to Use the Wait List!

Trips tend to fill up in the first 48 hours after posting but people drop off as time goes on.

So people do get off the wait list and onto the trip roster. Keep the trip on your calendar and check your status at your CMC.org "My Membership" page.

Some reminders to help everyone:

1. When you receive the monthly trip newsletter, please sign up only for those trips you are most likely to attend. Please do not sign up for everything that looks good to you so you can decide later.

2. Once you know you cannot make a trip, please cancel off the roster or the wait list as
Who are the Bobcats?

The Bobcats are a Section of CMC's Denver Group.

Our mission is to ensure a variety of challenging CMC trips, especially “B Difficult” and “C” hikes and Difficult Snowshoes, for our mostly age-50+ constituents.

Although we have members, we don’t have dues or elections, and our trips are non-exclusive.

We welcome all CMC members to sign up for any Bobcats trip regardless of age or Bobcats membership.

To join our free mailing list, write Membership Services at office@cmc.org or call them at (303) 279-3080.
