Atypically High Avalanche Risks Continue

We have 854

Bobcats Board Member Changes

Who are the Bobcats?

The Bobcats' mission is to ensure a variety of challenging CMC trips, mostly on
weekdays, for our mostly age 50+ constituents. We don't have dues or elections
or bylaws, we have dues, but we have our way of doing things.

We send out a monthly newsletter with all the coming month's trips just after
the first of the month. If you are interested in being part of the
CMC’s online learning system, you can sign up by going to the CMC Calendar for
Bobcat trips any

Current officiers with term-out dates are:

A big

Thank you to Mark Wolf and Robbie Monsma

CAIC website

of avalanches. The links below provide more
information.

The CAIC website provides information on avalance risks, and has
pictures! Keep them
coming. Submit them to: offers our monthly newsletter and maintains a
database of interested Bobcats.

Call for Volunteers - Snow Hike

Please note that CMC's online learning system
will pose some interesting videos on remote triggering
of avalanches due to a very weak layer of
snow which will persist through the winter months.
