Linda Jagger, Secretary (2025)

Bobcats Newsletter

Who are the Bobcats?

Do You Want to Improve Your Hiking Fitness, Speed and Stamina, and Meet New Friends?

The Bobcats is a sub-section of the Denver Mountain Club (DMIC) and is open to all CMC members. The group was founded in 1974, and is active year round. The Bobcats focus on hiking adventures designed to introduce new CMC members to the group and to help members build confidence and skills. Hikes start off easy and gradually get more difficult as the group works on our stamina and skills. The series also provides an opportunity to hike in areas not normally accessed by DMIC members.

A new challenge by the end of the summer. A couple of high peak climbs will be offered at the end of the season.

Starting this May, the Denver Member Initiatives Committee (DMIC) is pleased to offer the fourth annual Ascending HIkes series. It is designed for CMC members who don't have dues or elections and we invite ALL CMC members to sign up for any Bobcat trip. You can search the CMC Calendar for Bobcat trips any time by selecting "Bobcats Section" in the CMC Trip Calendar pull-down menu. We send out a monthly email to our Bobcats Section members (you can sign up online using your Member Profile). Please check the details for each trip, as many trips require Covid 19 vaccination.

To learn more, please visit: [Bobcat Contact Information] (This one is pretty cute).
