How to Use the Wait List!

Trips tend to fill up in the first 48 hours after posting but people drop off as time goes on.

So people do get off the wait list and onto the trip roster. Keep the trip on your calendar and check your status at your CMC.org "My Membership" page.

Some reminders to help everyone:

*1. When you receive the monthly trip newsletter, please sign up **only** for those trips you are **most likely** to attend. Please do not sign up for everything that looks good to you so you can decide later.*

*2. Once you know you cannot make a trip, please cancel off the roster **or the wait list** as soon as you can so others can move up at a time reasonably prior to the trip.*

November Trip Still Available

5 Mon, Nov 26, Sue Ahlberg, Wind River Loop Snowshoe, 13 miles, 2100' gain, Moderate C, Coors Tek Lot, 120 drive miles

**CMC Presents:
Abandoned Film + Avalanche
Presentation**

**Thursday: December 6
7:30-8:30 pm**

Join the Colorado Mountain Club for a screening of Abandoned, a film by The Road West Traveled that explores Colorado's lost ski area in hopes to find adventure amongst the ruins.

Instead, they discover the truth behind what made these areas close their doors for good and illustrates what skiing used to be like before mega resorts and climate change wreaked havoc on independently owned ski areas.

Through heart-wrenching interviews with former owners, ski patrol, and historians, The Road West Traveled uncovers what it's like to be a skier in Colorado's backcountry and what it means to go from lost to found.
