BPX Members – Thank YOU for joining. We are now over 325 members and growing. In this newsletter we share with you exciting happenings.

Survey Results - Almost 45% of you responded to our Trip Preferences Survey sharing the type of backpacking trips that make you want to get out your gear and travel down a new trail, or share stories by starlight.

Over 30% of respondents joined CMC within the last 2 years with 25% being members for 3 to 5 years.

About 50% of respondents are under 60 years of age and 50% over 60 years of age.

No preference for weekend trips vs weekday trips was noted as the split was even.

Two night, three day trips are preferred by 27% of respondents, one night, two day and trips longer than 3 days having about an equal preference.

Overwhelmingly respondents want to backpack in our glorious state of Colorado and more than 70% of respondents are willing to commit to a trip 60-120 days in advance of the trip date.

The BPX Committee is using this data to develop a smorgasbord of pre-planned trips which BPX Leaders will be able to "claim" and lead during the 2020 backpacking season.

Backpacking School - If you complete Wilderness Trekking School (WTS) in the Spring you will have met the prerequisite for Backpacking School (BKPS) starting June 1st. Whether new to Colorado or simply wanting to connect with nature for more than a day hike, BKPS will teach you how to do so safely. Read more at: https://cmcdenver.org/schools-2/bkps/bkps-schedule

Win a Montbelle Backpack - and other backpacking goodies by submitting the winning slogan/motto/tag line for our backpacking section. BPX isn’t too jazzy by itself, but with a sizzle such as some gear and equipment companies use our backpacking section gains an identity and add intentional spark. As examples, here are a few tag lines which you may be familiar with:

Rab – The Mountain People
Columbia Sportswear – Join the Adventure
Mountainside Gear Rental – Official Outfitter of Great Times

Leaders Step Up – Thirty CMC Denver Trip Leaders have answered the call to lead backpacking trips during the 2020 backpacking season. We thought you as members would like to know their names. Most of these leaders are very experienced backcountry travelers and instructors in Backpacking, Wilderness Trekking, Fly Fishing, Trip Leader and Technical Schools, as well as serving on a variety of CMC and State administrative committees.

Thanks to Each of You for stepping up to step out on Backpacking Trips.
