These should be submitted to Janice Bennett, bennettjanice@me.com by Monday, December 10.

CWM Photo Section Exhibition
October 1, 2018, to February 1, 2019

CELEBRATING PUBLIC LANDS

There is a lot of excitement about our very first Photo Exhibition this fall at the AMC. Our theme is celebrating our public lands in Colorado.

All images represent public lands in Colorado, including county, state, and federal properties, and will be of a natural subject. The exhibition is titled “The CMC Photography Section celebrates access to the beauty, richness and value of our public lands for all Americans.”

With such an exhibition the Photo Section is playing a larger role in supporting CMC’s Conservation mission and can also gain greater visibility for our group and individual members. The exhibition runs from October 1 to February 1, 2019.
