A Photographer’s Journey to Nepal’s Himalayas

Join us at 7pm January 11th for a presentation by club member Jim Guerra.

Jim went trekking to Everest Base Camp in Nepal for the scenery – to see the highest mountains in the world. But, once in Nepal, he became captivated by the local peoples and cultures, which made the trip even more memorable and exotic!
This month’s meeting will be in-person and virtual

IMPORTANT: This meeting will be in-person at the AMC with a Zoom Link for those who wish to attend virtually.

Photo Section Volunteers Needed

Currently, the Photo Section needs members for the following tasks:

1. Technical support at meetings to include laptops, projectors and their interfaces
2. Emcee meeting to mention section business, activities, and introduce the presenter
3. Enlist presenters for future meetings including shooter’s choice
4. Lead photo outings and hikes
5. Manage section Facebook page
6. Post monthly meeting to CMC calendar.

Please email Orcutt.cmc@comcast.net or fburzynski@comcast.net if you’d like more information or would like to volunteer for one of the above roles.
Shooter’s Choice Volunteers

The photography group is diverse, with numerous photographic interests and skill levels. We are looking for presentations about any interest at any skill level. The concept of Shooter’s Choice is to learn about both photography and the lessons learned on our unique photographic journeys. This may include photos from a single day trip, a vacation, or decades of experience, but should primarily address the photography performed along the journey. Presentations may last 45-60 minutes. It may be single person’s work or a group of people may split that time.

A Shooter’s Choice presentation involves selecting a related set of photographs to discuss. These need not be polished photos. They may address an exploration of one subject, an experiment, an attempt to solve a problem, or the key results of your learning curve through your journey.

The presentation may include:

1. What you liked or disliked about the photos and what you might do differently next time.
2. How the photograph was taken (if pertinent include camera mode, lens, focus, depth of field, ISO, shutter speed, etc.)
3. What challenges you addressed, and the successes and failures you had.

Your Shooter’s Choice can be a great way to improve your photography skills and meet people with like photographic interests. We look forward to seeing your photographs!

If interested, contact Selma Kristel at hikerselma@gmail.com. If you would like more information or assistance with your Shooter’s Choice, please contact Dan Orcutt at orcutt.cmc@comcast.net.
