Shooter's Choice – Janet Scott

Exploring Alaska's Coastal Wilderness

Please join Janet as she presents the highlights of the small ship expedition she took with National Geographic from Juneau to Sitka. Enjoy seeing cascading waterfalls, remote fjords, calving glaciers, sea lions basking in the sun on sculpted icebergs, brown bears foraging and catching salmon, humpback and killer whales breaching plus mountain goats high on the cliffs in this rugged and wild region of Southeast Alaska.

Photo Section Volunteers Needed

Annual Planning Meeting and Leadership Rotation:

Last year many of you participated in our October meeting where we brainstormed ideas for programming in 2024. This effort was very successful, and we have programs booked for all of this year with the exception of October and November. Thank you to the many members who chipped in to make the 2024 programming happen. The Photo Section has thrived for almost 14 years thanks to committed volunteers who have stepped up to lead the group as well as to help out with monthly programs, education, photo outings/hikes and newsletter/marketing. This October in addition to program planning we will elect a new chair and co-chair, rotation of leadership will keep our group vibrant and engaging.

Currently, the Photo Section needs members for the following tasks:

1. Lead photo outings and hikes
2. Post monthly meeting to CMC calendar
3. Monthly Photo Section Newsletter

Please email fburzynski@comcast.net if you'd like more information or would like to volunteer for one of the above roles.

CMC Website Tip

Completing this one item will enroll you to receive prompt notice of any photography related hike as it is placed on the calendar. Login to the CMC web site, then navigate to your name on the top right of the page, a drop-down menu will appear. Navigate in the drop-down menu to the heading My Preferences, click on this item. The Preferences page will appear, scroll to the bottom for the section “Alerts and Notification Preferences”, select how you want to be notified and then add the keyword “Photography” under the activities portion, lastly click save at the bottom of the page.

Shooter's Choice Volunteers

The photography group is diverse, with numerous photographic interests and skill levels. We are looking for presentations about any interest at any skill level. The concept of Shooter's Choice is to learn about both photography and the lessons learned on our unique photographic journeys. This may include photos from a single day trip, a vacation, or decades of experience, but should primarily address the photography performed along the journey. Presentations may last 45-60 minutes. It may be single person's work or a group of people may split that time.

A Shooter's Choice presentation involves selecting a related set of photographs to discuss. These need not be polished photos. They may address an exploration of one subject, an experiment, an attempt to solve a problem, or the key results of your learning curve through your journey.

The presentation may include:

1. What you liked or disliked about the photos and what you might do differently next time.
2. How the photograph was taken (if pertinent include camera mode, lens, focus, depth of field, ISO, shutter speed, etc.)
3. What challenges you addressed, and the successes and failures you had.

Your Shooter's Choice can be a great way to improve your photography skills and meet people with like photographic interests. We look forward to seeing your photographs!

If interested, contact Selma Kristel at hikerselma@gmail.com. If you would like more information or assistance with your Shooter's Choice, please contact Dan Orcutt at orcutt.cmc@comcast.net.

COVID-19 and Colorado Mountain Club

As Colorado continues to alter restrictions surrounding COVID-19, the Colorado Mountain Club has altered its offerings with adjusted protocols to address COVID-19.
